

FIG Task Force on FIG Commission Structure

Mikael Lilje, chair of the task force

Based on two proposals

Proposal from Geosuisse submitted 2014
regarding how commission chairs elect are elected

Proposal regarding Structural Improvements
submitted 2015 by

- Danish Association of Chartered Surveyors (Denmark)
- Finnish Association of Geodetic and Land Surveyors MIL (Finland)
- Norges Jordskiftekanidatforening, faglig gruppe av Tekna ([NJKE](#)) (Norway)
- Swedish professionals for the built environment

Task Force Members

- Mikael Lilje, chair of Task Force
- Brian Coutts
- Stephen Djaba
- Henning Elmstrøm
- Kate Fairlie
- Brent Jones
- Jürg Kaufmann
- Robert Sarib
- Rudolf Staiger
- Karl-Friedrich Thöne

The task force will ...

- evaluate the current commission structure and content.
- review the process regarding chairs-elect for commissions trying.
- present a proposal at the FWW in 2016 for discussions.
