Liber III.

477

quo idem ciuibus multas intulit iniurias, patrociniumq; & refugium concessit nebulonibus quibusq; raptoribus, latronibus & alijs pelsimis hominibus, in magnam ciuium iacturam. Fuit autem tunc in urbe episcopus Burchardus nomine, cuius auxilio Henricus promotus fuit ad imperium: & his obtinuit ab imperatore, ut Otto commutaret palatium suum pro oppido Bruchfel, relictaq; Vuormacia se receperit ad Bruchfellam. Tunc episcopus mutauit ducis palatium in monasterium, cui tandem successit collegiata ecclesia ad sanctum Paulum appellata.

Frankenthal monasterium.

Sub Henrico quinto Imperatore circa annum Christi 1119. fuit Vuormacia uir quidam insignis, natus ex ueteri equestri familia, Eckebertus Kemmerer nomine, unde adhuc supersunt, qui uocantur Kemerer de Vuormacia, dicti Dalburgenfes, qui omnem substantiam suam, quae magna fuit, erogauit in constructionem monasterij Frankenthal maioris & minoris, ingressusq; est ipse monasterium maius in quo & praepositus fuit factus: uxor autem eius Richlindis ingressa maius coenobium, facta est in eo Prior & mater monialium.
