

UN-GGIM Europe, Presenting Our Five Priority Areas.

James Norris (United Kingdom)

Key words: Capacity building; Implementation of plans; Reference frames; UN-GGIM; UN-GGIM Europe; IGIF; Data Strategy; Sustainable Development Goals (SDGs); Data Integration; Geodetic Reference Frames

SUMMARY

This presentation will focus on the five new lines of work which underpin the UN-GGIM: Europe Strategy and Work Plan.

Delegates will learn about:

Integrated Geospatial Information Framework;

Global Geodetic Reference Frames;

Data Integration;

Sustainable Development Goals;

Data Strategy and Policy.

There will also be the opportunity for attendees to find out how to become involved in the Work Plan.

UN-GGIM Europe, Presenting Our Five Priority Areas. (11784)
